

MEET THE
FARMERS

Miles Berry Farm

(Baxley, GA)

- Strawberries
- Blueberries
- Broccoli
- Cauliflower
- Corn
- Squash

Allen Miles has been farming his family's farm since 1992. He began growing blueberries on 25 acres, and has since expanded to over 400 acres of varied produce. Miles Berry Farm is committed to organics for the safety and well-being of consumers, the land and the future generations. They are also a premium packer and shipper of frozen blueberries, making sure they always stay at their peak of freshness.
