

# ACSI MATH OLYMPICS

***Congratulations to the following students that qualified for the 2011 Math Olympics.***

**3rd Grade** – Jacob Cai, Eunjin Choi, Xia Hardy, Neha Singh, Gabe Taylor, Natalie West

**4th Grade** – Isaiah Capp, Mehki Cameron, Adriana Daniel, Lyndsey Darden, Aayush Patel, Brennan Russell

**5th Grade** - Radhesh Amin, Joshua Beckman, Brody Duncan, Doug Morris, Lydia Timpson, Abinav Routhu

**6th Grade** –Nicole Conn, Jarrod Gailles, Chanel Kim, Maddison Laney, Tylar Norman, Ramon Toribio

**7th Grade** –Akhil Amin, Justin Capp, Trent Johnson, Danny Kim, Joseph Kim, Casey Wang

**8th Grade** –Joseph Brown, Alayna Carrandi, Collin Hamby, Utkarsh Pandey, Davis Reynolds, Mason Tran

## **RESULTS OF THE 2011 MATH OLYMPICS**

*ELCA students did an amazing job at the Math Olympics!*

### **Computation Category**

#### **3rd Grade**

1<sup>st</sup> place – Neha Singh – also received a medal for scoring above 85%

#### **4th Grade**

1<sup>st</sup> place – Aayush Patel - also received a medal for scoring above 85%

Medal - Lyndsey Darden – received a medal for scoring above 85%

#### **5th Grade**

1<sup>st</sup> place – Radhesh Amin -also received a medal for scoring above 85%

#### **6th Grade**

4<sup>th</sup> place – Tylar Norman

#### **7th Grade**

2<sup>nd</sup> place – Akhil Amin - also received a medal for scoring above 85%

3<sup>rd</sup> place – Joseph Kim - also received a medal for scoring above 85%

#### **8th Grade**

1<sup>st</sup> place – Mason Tran

2<sup>nd</sup> place – Alayna Carrandi

4<sup>th</sup> place – Collin Hamby

## Mathematical Reasoning

### **3rd Grade**

5<sup>th</sup> place – Gabe Taylor

### **4th Grade**

1<sup>st</sup> place – Adriana Daniel - also received a medal for scoring above 85%

### **5th Grade**

1<sup>st</sup> place – Abinav Routhu - also received a medal for scoring above 85%

4<sup>th</sup> place – Joshua Beckman - also received a medal for scoring above 85%

### **6th Grade**

1<sup>st</sup> place – Ramon Toribio - also received a medal for scoring above 85%

2<sup>nd</sup> place – Maddison Laney

3<sup>rd</sup> place – Nicole Conn

### **7th Grade**

2<sup>nd</sup> place – Casey Wang

3<sup>rd</sup> place – Danny Kim

### **8th Grade**

2<sup>nd</sup> place – Davis Reynolds

4<sup>th</sup> place – Utkarsh Pandey

5<sup>th</sup> place – Joseph Brown

These are the best results we've ever experienced. There were seven 1<sup>st</sup> place winners; 10 medals for scoring 85% or higher; there were five 2<sup>nd</sup> place winners; three 3<sup>rd</sup> place winners; four 4<sup>th</sup> place winners, and two 5<sup>th</sup> place winners. Twenty-two out of the thirty-six students we sent to the competition placed. Elementary students placed 1<sup>st</sup> in five of six categories and all of the 8th grade students that were sent to the competition placed! Great job, ELCA math students!
