

STUDENT/PARENT CONTRACT FOR BYOT

Must be signed by all students and parents prior to the student bringing a device to school.

Turn this form in to your homeroom teacher.

As a student, I have read, I understand, and I will follow ELCA's Computer & Network Usage Policy while using my personal technology tools at school. If I break this agreement, the consequences could include suspension of on campus device privileges and/or disciplinary action such as suspension or expulsion from ELCA. In some case law enforcement may be contacted. Students using any type of proxy application, such as VPN applications or any software used to bypass any Wi-Fi restrictions, will immediately lose their BYOT privileges and face disciplinary action.

I understand that Eagle's Landing Christian Academy is in no way responsible for the loss or damage of any personally owned equipment. ELCA recommends that you purchase personal insurance to cover your equipment.

I recognize it is impossible for the school to restrict access to all controversial materials, and I will not hold the school responsible for materials acquired on the school network that pass filtering. I understand that my child's computer activities at home should be supervised as they can affect the academic environment at school. I also understand that if my child uses proxy applications, such as a VPN, I will be notified that their BYOT privileges have been revoked and they will face disciplinary action.
