Birthday Book Club

Celebrate your child's birthday by donating a book to the library!

HOW? Your child will be given the opportunity to choose a new book that is ready for library circulation. A commemorative bookplate with your child's name and birthdate will be placed in the front inside cover. The librarian will take a photo of your child with the book. The photo will be made into a poster for you to keep. Your child will have the privilege of being the first student to check out the book! The book should be returned to the library within two weeks so it can be circulated for the enjoyment of others .

WHY? The birthday book club is a unique way to commemorate your child's birthday while helping to build and maintain a current library collection. Your donation of **$15.00** will purchase a library book bearing a commemorative nameplate honoring your child.

Your participation in this program will be of great benefit to the ELCA library. Your donation of $15.00 will be billed to your ELCA account. Please fill out the information below and return it to your child's homeroom teacher.
