2023-24 ELCA Fund Campaign

10 days to make a difference
ALL IN
IN 10

ALL IN is defined as being enthusiastically supportive or fully committed. That is exactly how we want you to feel as part of the ELCA family!

The 2023-24 ELCA Fund Campaign runs August 14-August 25. We are asking each of our families to commit to partner with us by being **ALL IN** and giving to the ELCA Fund.

We strive to reach 100% participation from our families because it is instrumental in providing the little "extras" that set out school apart. These include lower student/teacher ratios, superb academic rigor, and championship level fine arts & athletic programs. Tuition alone does not afford us the means to provide this level of excellence in every area, and unlike tuition, donations are tax-deductible as allowed by law.

Secondly, increased parent participation helps us leverage support from outside foundations. In the recent past, we have been blessed to receive two grants totaling \$575,000. These grants were awarded, in large part, due to a steady increase in the giving percentage from our families. **This means that your gift, no matter the amount, has the prospect of making an exponential difference in the lives of our students.**

As we continue to seek out grants, it is imperative that our parent giving percentage increases even further...with the ultimate goal being 100%.

We cannot achieve this without YOU!

"Therefore, my beloved brothers, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain." 1 Corinthians 15:58
