NOTEWORTHY PROGRAMS

Unity Council: Students at ELCA have the privilege of growing up in a richly diverse student population. In a focused effort to strengthen the diverse culture, an established Council on Diversity meets to discuss critical issues within the school. The council consists of students, staff members, and parents.

World Impact: This extends curriculum beyond the classroom to provide students with cultural, educational, and ministerial experiences both locally and around the world.

Student Support Services/MERIT (Multi-faceted Educational Resources and Instructional Technology):

Students who are served by the MERIT Program must be identified through a multi-faceted evaluation as exhibiting a learning difference that significantly impedes their academic progress. A current (within the last three years) comprehensive evaluation of the student's cognitive, academic achievement, social, behavioral, etc. domains must be on file at the school.

Dual Enrollment: ELCA has partnered with Truett-McConnell University and Southern Crescent Technical College to offer select courses in which students can earn both high school and college credit.

The AP® School Honor Roll: ELCA has earned "gold" status in this prestigious annual recognition program that celebrates schools whose AP programs have done outstanding work. Schools earn this based on criteria that reflect a commitment to increasing college-going culture, providing opportunities for students to earn college credit, and maximizing college readiness.

ELCA Connect: If an ELCA student desires to take a class not offered within traditional ELCA curricula, they may take that class in the ELCA Connect online program if approved by the Guidance Office.

AP Capstone School: AP Capstone™ is a diploma program from the College Board. It's based on two year-long AP courses: AP Seminar and AP Research. These courses develop students' skills in research, analysis, evidence-based arguments, collaboration, writing, and presenting. Students who complete the two-year program can earn one of two different AP Capstone awards, which are valued by colleges across the United States and around the world.
