- Demonstrating sound knowledge and enthusiasm of the curriculum being taught
- Using effective oral and written communication
- Exhibiting a rapport and understanding of students
- Delivering instruction that is effective and varied
- Selecting and using instructional aids effectively (digital learning)
- Engaging students in active learning
- Recognizing individual learning needs and adjusting instruction accordingly
- Evaluating student mastery of progress
- Using diagnostic, formative, and summative assessments
- Providing academic challenge through depth of knowledge
- Integrating biblical principles and Christian worldview
- Providing lessons that reflect varying levels of biblical integration
- Building of student transfer of knowledge, both academically and spiritually

II. Manage the learning environment by

- Maintaining a safe classroom environment
- Establishing a classroom environment conducive to learning
- Using time efficiently with both instructional and noninstructional tasks

- Redirecting students from inappropriate to appropriate behavior, or from off task to on task behavior

III. Follow professional practices in adherence to school policies by

- Submitting lesson plans weekly to RenWeb
- Completing curriculum calendars and unit plans in a timely manner
- Posting grades on a weekly basis
- Attending parent conferences as needed
- Fulfilling morning, lunch, and afternoon duties as assigned
- Volunteering for two athletic events
- Attending two fine arts events
- Fulfilling carpool, hall, parking lot, and restroom duties as assigned
- Supervising students outside the classroom
- Enforcing dress code and adhering to the ELCA discipline code
- Interacting in a Christlike manner students, parents, and colleagues
- Communication with parents and administrators in a timely manner
- Maintaining confidentiality of student information
- Attending required faculty and worship meetings
- Adhering to ELCA teacher expectations as defined by the staff handbook
- Maintaining regular and prompt attendance
- Maintaining current certification
- Consistently modeling Christ for students
- Mentoring students with their walk with Christ

IV. Grow professionally by

- Developing and implementing professional growth goals
- Maintaining yearly Biblical continuing education units
- Fulfilling Christian Philosophy of Education requirements
- Participating in required Charger Thursday sessions
- Focusing on individual spiritual growth by regularly engaging in a personal Bible-centered devotional and prayer time
