

CREDIT RESCUE

ELCA Connect Credit Rescue gives students the opportunity to repeat a year-long course to improve their grade. Any student who was not academically successful in both semesters of a traditional course may enroll in a Credit Rescue course to earn a credit. Credit Rescue courses are offered during the summer and are facilitated by an online teacher. Students have up to ten weeks to complete a Credit Rescue course.

Credit Rescue courses are elegantly designed and Biblically integrated to challenge students academically as well as spiritually. Proctored Pre-tests are given to Credit Rescue students in order to bypass previously mastered learning objectives.
