WITHDRAWALS & REFUNDS:

- ELCA Connect knows there are times a student must withdraw during a course. However, ELCA Connect pays for course costs upon enrollment and therefore cannot issue a refund once payment has been made to the online course provider (Sevenstar).

Important Note:

- This means that parents and students should thoroughly examined the course content from the course descriptions booklet and meet with the academic advisor prior to student enrollment.

ADDITIONAL FEES:

Although most courses do not require supplemental material, it is possible that some may require novels, lab fees, software programs, etc. Students/parents will be provided a link or information on where this material can be purchased. Some of the books may be found at the local library. The purchase of required supplemental material is the parent/student's responsibility and is not included in tuition prices.

ACTION ON NON-SUFFICIENT FUNDS RETURNED CHECKS:

A charge of \$30.00 plus any charge the bank assesses the school will be collected for any checks returned to ELCA by the bank. After two non-sufficient funds checks have been received, all subsequent payments are to be made by cash, cashier's check, or money order.

RESPONSIBILITY FOR STUDENT RECORDS AND REPORTS:

ELCA assumes the responsibility for making available a minimum of one (1) copy of any student's records, such as report cards and progress reports. In the case of dual or shared custody of a child, the parents must decide at the time of registration who will receive the school copy of the student's reports. It is then up to that parent to provide copies of these reports to the other parent, when necessary. All reports are emailed to the student and parent email address on file.
